## MANAGING DIRECTOR

---

Lateral Planning (originally Stewart Urban Planning) was founded by Alan Stewart in January 2017.

Alan is a qualified urban planner with 30 years experience across the public and private sectors, with over 20 years as a consultant planner. Alan's expertise includes project approvals coordination, statutory planning, advocacy, due diligence investigations, strategic thinking and front-end project management.

Analytical and strategic, Alan tailors his approach to match the specific requirements of each project, drawing on his extensive experience and technical knowledge to identify core issues and address potential impediments to approval. Alan approaches potential obstacles as opportunities to make innovative decisions and deliver enhanced project outcomes.
